In the Misty Seas. A Story of the Sealers of Behring Strait

Pobieranie Książek, Ebook - Pdf, Doc, Mobi, Epub

When your country is small and poor, people have two choices. Some decide to stay and raise it from poverty, while others go to seafaring. So most New Zealanders did. So said one of the inhabitants of this country: Our country is a kind of difficult country, and most of our people go to sea from time to time when they cannot achieve more. In the same way, our main characters went to seafaring, where there were many prizes on their way.
