Dear Sir/Madam

During filing out the application form I have made a mistake and I put the wrong date of birth- instead of 23.07.1980 I have put 23.07.1979. Could I kindly ask for a correction of my mistake, or if you could provide me with the information on how to correct it. You can find the confirmation of my date of birth on the ID card or P60 that I have sent you.

Kind regards
Pawel Reszka
